The Project will be assessed by the teacher and a Visiting Examiner appointed locally and approved by the Council.

Assessment of Project Work will be done as follows:

1.	Internal Evaluation by Teacher	10 Marks
2.	Evaluation by Visiting Examiner	10 Marks
	TOTAL	20 Marks

Internal Evaluation by the Teacher:

Assessment objective	Criteria	Marks
1. Process	Candidate should be able to: Identify the topic. Plan and detail a research project. Select and use appropriate research methods.	3
2. Understanding, application of knowledge and Analysis	Candidate should be able to: Explain issues and themes clearly and in context. Interpret, analyse and evaluate critically a range of evidence to present reasoned, substantiated arguments/ statement.	4
3. Presentation	Overall format, referencing (footnotes &/or bibliography), within word limit of 2000 words, title page, header/footer, etc.	3
TOTAL		10

Evaluation by the Visiting Examiner:

Assessment objective	Criteria	Marks
1. Choice of Technique/ Detailed procedure & Presentation	Overall format, referencing (footnotes &/or bibliography), title page, header/footer, etc.	4
2. Analysis and evaluation	Candidates should be able to: Interpret, analyze and evaluate critically a range of evidence to present reasoned, substantiated arguments/ statement.	3
3. Viva	Range of questions based on the project only.	3
TOTAL		10

GUIDELINES FOR TEACHERS:

1. It must be emphasized that the **process** of doing the project is as important as the finished product.
2. Once the project/projects are chosen, there should be a process of brainstorming to encourage students to make out a draft/structure for the project before embarking on research.
3. During the brainstorming/discussion, the teacher should discuss the assessment criteria with the students.
4. The teacher should discuss the draft with the student with regard to the central question and the type of sources to be used.
5. The students should be guided on doing the research and looking at different types of evidence.
6. Books and suitable reference materials could be suggested and even put up on the library notice board for guidance of the students.
7. Internet sites could be suggested, but care must be taken in selecting, using and citing these sites.
8. Students must be cautioned against plagiarism and be penalized for the same.
9. Marks must be awarded for content and originality and not for decorative elements and embellishments.
10. Projects must be the original work of the student.
