FREQUENTLY ASKED QUESTIONS (GENERAL)

Q.1: How many Mocks are there in total?

Ans: Therefore the complete test series will be of 44 mocks + 4 All India Open Mocks = **48 Mocks**

Q.2: Why is it still beneficial to attempt a few Mocks in the online format when CLAT 2019 has turned offline?

Ans: We have tried our best to get you maximum benefit by conducting 16 offline mocks for you at respective test centres across the Nation (13 Regular CLAT Mocks + 3 All India Open CLAT Mocks). We still have 13 online mocks in our kitty because the analysis generated out of an online mock is much better, precise and will give you a fair idea on how to proceed with your tests. Writing a few online mocks will help you do much better in your offline mocks as well.

Q.3: What is a Test Centre? What's the difference between a LE Prep Centre and LE Test Centre?

Ans: A test centre is a place where the offline tests will be conducted. There are two types of Test Centres i.e. a LE Prep Centre and a LE Test Centre.

LE Prep Centre: A centre where we run our Year Long Classroom Contact programs. We have our prep centres at **Bhopal, Indore, Jaipur, Kanpur, Raipur and Allahabad**. The students located at these centres should compulsorily write the offline mock test at these centres. Incase you miss writing a mock at a LE Prep Centre, you will need to collect it from the centre itself. Students living in these cities won't get the mocks at their respective home address.

LE Test Centre: A centre which will be our Test Centre only. No classroom contact programs would be running at this centre but only the offline mock tests shall be conducted here. Students living in these cities will need to collect the test papers from the test centre incase you miss writing the test. Currently we have added **Lucknow, Patna and Jodhpur** as our Test Centres.

Q.4: What if I don't write a mock at my nearest Test/Prep Centre? What about the students who DO NOT have a test centre in their vicinity?

Ans: Mocks at Test Centres will be proctored and conducted under testing conditions. You won't be able to create a similar environment at home. We would suggest you to write as many mocks as possible at your nearest Test Centre. If you aren't able to reach, we have an alternative as well.

Incase you are located at locations where there are LE Prep/Test Centres, you will need to collect your test papers later from the centre itself.

Incase you are NOT located near our LE Prep/Test Centres, you will receive the mock tests at your correspondence address. You may create testing conditions, attempt the paper on a given date. Check it yourself and then login to the prep portal to check the Result-Analysis Sheet for the mock test and map your scores. The Result-analysis sheet will clearly reflect your rank-range, cut-offs, good number of attempts and even the good number of negatives for the mock test.

Q. 5: Will online mocks have hard copies?

Ans: No

FREQUENTLY ASKED QUESTIONS

(Specific to checking of OMRs by Correspondence Students)

Q. 1: My city doesn't have an LE Test/Prep Centre. How should I take the Offline Mocks?

You would have received the Mocks on your residential address. Take the Mocks at your home and mark your answers on the OMR sheet provided.

Q. 2: How do I check my OMR sheet?

You DO NOT have to send us the OMR Sheet and have to check it by yourself.

For Mock CLAT 06, 08, 10, 12, 14 and 16, as well as the All India Open Mock CLAT (conducted on November 25th), the answer key will be uploaded on the online platform, after the conduction of the offline test (*Test Conduction Dates have already been shared*). Answer Key for Mock CLAT 06, 08, 10 and All India Open Mock shall be updated on the platform in the next two days, as they've already been conducted.

For subsequent Offline Mocks, a Hard Copy of the Answer Key shall also be sent, in the January package. Furthermore, we will even send the Hard Copy of CLAT 06, 08, 10, 12, 14, 16 and All India Open Mock CLAT (25th November) in the January package.

Q. 3: How do I analyse my scores vis-à-vis others?

As promised, we have brainstormed a lot of have come up with some wonderful solutions. We'll be putting up two sheets on our platform for this:

Mock Analysis Sheet – This will include question-wise-difficulty level analysis. This will be uploaded Online ALONG WITH the Answer Key.

Result Analysis Sheet – This will include Topper Score (Overall and of each section), Good Number of Attempts, Good Scores, Acceptable Negatives, Cut Offs for Top Law Schools and a lot more. This will be uploaded within three days of conduction of the Mock.

All students should map their scores and other data along with these two sheets to know their standing. In case of any doubts, feel free to email us on query@legaledge.in.
